## D5 "TWO HOUSES"

*Kettering & District Reminder T. Beaty Hart Ltd,  
Kettering, 9 April 1924, i, 6, p 5*

### *"TWO HOUSES"*

*In my father's garden, a house  
Of finches in a tree is knit.  
Alone, alone, at peace it blows,  
For not a boy or cuckoo knows  
The hermit site of it.*

*Give me a house, as idly rare,  
A garden where a thought may flit,  
And trees that finchs' nests may share  
And God, inestimably there  
In every part of it.*
